ABOUT US

PROGRAMS

ICS strives to build relationships and be a place where people can become connected and involved, working together, side-by-side, to maintain dignity, rekindle hope and create a community of belonging. This is done through four programs:

- **SLU Food Bank at ICS**

The SLU Food Bank at ICS distributes healthy food each week to anyone needing help putting food on their table. Anyone who is hungry and needs food is welcome, without restriction or requirement. Many visitors are on fixed incomes and come to the SLU Food Bank to fill their pantry when funds are tight. For those who are unable to visit the SLU Food Bank in person, they may receive food via Home Delivery. ICS distributes over 250,000 lbs. of food to neighbors experiencing hunger each year.

- **ICS Hygiene Center**

The ICS Hygiene Center offers showers, laundry, a hot meal and respite to our neighbors experiencing homelessness and living outside. At ICS all are welcome and guests find a warm, safe and dry place where they can be treated with dignity, get connected to services and begin down the path to a life outside of homelessness. Over the last year, ICS has served nearly 13,000 meals, provided 8,534 showers and distributed over 15,000 pair of socks to guests in the hygiene center.

- **ICS Recovery Shelter**

The ICS Recovery Shelter provides a safe, supportive, clean and sober living environment for homeless men working to overcome addiction to drugs and/or alcohol. Residents stay with us for up to a year in order to complete their program, move into stable housing and start a new life free of addiction. Last year, ICS provided over 3,500 nights of housing. Graduates of our shelter program are 93% successful staying clean and staying housed!

- **ICS Community Lunch & Meal Program**

On the last Sunday of each month, the ICS Community lunch serves anyone hungry looking for a hot nutritious meal and friendly conversation. The meal is served at the end of the month, when many of our neighbors find money is a little tight and they need helping putting a full meal on the table. Over 32,000 meals a year are served across all ICS programs.
